I. INTRODUCTION

On March 14, 2024, with Board authorization, Petitioner and Patent Owner filed a joint motion to terminate in each of the above-captioned proceedings. Paper 8 (“Motion”).² Along with each motion, the parties filed a copy of a Confidential Settlement Agreement (Ex. 1033), as well as a joint request to treat the Confidential Settlement Agreement as business confidential information (Paper 9, “Request”) in each proceeding. *See* 37 C.F.R. § 42.74(c) (“A party to a settlement may request that the settlement be treated as business confidential information and be kept separate from the files of an involved patent or application.”).

II. DISCUSSION

The Board generally expects that “a proceeding will terminate after the filing of a settlement agreement, unless the Board has already decided the merits of the proceeding.” Patent Trial and Appeal Board Consolidated Trial Practice Guide 86 (Nov. 2019).³ In these proceedings, we have not issued decisions on institution, and the parties represent that they “have entered into a written confidential settlement agreement that fully resolves th[ese] matter[s],” and “jointly request termination” of these proceedings. Motion 1–2. Under the circumstances, we determine that it is appropriate to terminate the proceedings.

IPR2024-00012 (Patent 8,787,933 B1)
IPR2024-00022 (Patent 9,489,690 B1)
IPR2024-00096 (Patent 8,775,260 B1)

The parties also ask that the Confidential Settlement Agreement be treated as business confidential information and be kept separate from the files of the challenged patents. Request 1. The parties represent that the Confidential Settlement Agreement “is the entire agreement or understanding between the Parties made in connection with, or in contemplation of, the termination[s] of th[ese] proceeding[s]” and that “Exhibit 1033 is a true and accurate copy of the agreement between the Parties that resolves the present proceeding[s].” *Id.* We have reviewed the Confidential Settlement Agreement between Petitioner and Patent Owner. Because the Settlement Agreement contains business confidential information about the settlement terms, it is appropriate to treat the Confidential Settlement Agreement as business confidential information under 37 C.F.R. § 42.74(c).
