 **2023 Commercial Manure Applicator Certification**

This course meets the requirements of those looking to gain certification or renew a Commercial Manure Applicator license. This course is developed for liquid manure applicators and will take approximately 3.5 hours to complete.

To become a Certified Commercial Manure Applicator, please click on 2023 [Commercial Manure Applicator Certification](#). Then click the "Enroll Me" button at the bottom of the page.

As a reminder:

- A Commercial Manure Applicator Business is a sole proprietor or business association engaged in the business of transporting, handling, storing, or applying manure for a fee.
- A Commercial Manure Applicator/Representative is a manager/employee of a commercial manure service. A manager is a person actively in and makes management decisions in the operation of a commercial manure service. Applicators are required by law to pass an examination or attend three (3) hours annual training each year. Your license will expire on March 1st of every year.
