Dear Mr. Rugh:

As you may know, Menard was not involved in the manufacture or design of the products identified in your letter. Rather, these items were sold to Menard by several third party suppliers. Because of this, Menard's suppliers are in a better position to discuss this matter and explore potential licensing opportunities. Menard has forwarded your notice to its suppliers and has requested they contact you directly to discuss this matter further.

Please direct any future correspondence to my attention and, if you have any questions regarding this information, please feel free to contact me directly.

Respectfully,
Menard, Inc.
