Description & Documents

The Patriot Lighting® PNL2x4 is a premium-performance, ultra-thin, back-lit LED panel offering industry-leading lumens per watt (LPW). This high-efficiency luminaire provides a long life and uniform illumination, as well as standard 0-10 vdc dimming capability. The three-position switch provides field selection of 3,000K, 4,000K, or 5,000K color temperature.
