v.

FENDGO, LLC,

Patent Owner

Case IPR2024-00114

U.S. Patent No. 11,265,404

Petitioners' Request for Oral Argument

Pursuant to 37 C.F.R. § 42.70 and the Board’s Scheduling Order dated May 30, 2024 (Paper 11), Petitioners Samsung Electronics Co., Ltd. and Samsung Electronics America, Inc. (“Petitioners” or “Samsung”) request Oral Argument on issues related to the patentability of claims 1-8 (“Challenged Claims”) of U.S. Patent No. 11,265,404 (“the ’404 patent”). Petitioners wish to present oral argument on the following issues:

- Whether the Challenged Claims of the ’404 patent are unpatentable based on the grounds raised in the Petition (Paper 2);
- Any issues related to Patent Owner’s Preliminary Response (Paper 9), the Patent Owner’s Response (Paper 14), or the Institution Decision (Paper 10);
- Petitioners’ Reply to any arguments raised in Patent Owner’s Response (Paper 16) and Patent Owner’s Sur-Reply (Paper 18);
- Response to any issues raised by Patent Owner in its Request for Oral Argument;
- Any issues that may be raised in potential forthcoming motions to exclude evidence (if any);
- Any other issues raised in the briefing pursuant to the schedule;

- Procedural, evidentiary, or other issues raised by the parties or the Board; and
- Any other outstanding motions and pleadings, and other issues that the Board deems necessary to issue a Final Written Decision.

This proceeding relates to IPR2024-00113, which also challenges the '404 patent. Petitioners request that the Oral Argument in this proceeding be combined with the arguments in IPR2024-00113, such that there is one consolidated hearing to address the issues raised in both related proceedings. To avoid unnecessary duplication, Petitioners also request that, for arguments in this proceeding that overlap with arguments in IPR2024-00113 and vice-versa, the parties may rely on arguments from either proceeding, without the need to re-argue the same points more than once.

Petitioners request that Oral Argument be held virtually by videoconference. Petitioners believe the parties need 90 minutes per side for Oral Argument, and respectfully request the opportunity to reserve a portion of their time for rebuttal.

Petitioners also request permission to use audio and visual equipment to display demonstratives and exhibits, including the use of a projector and screen if presented in person, during Oral Argument.

Respectfully submitted,
