May it please the Board,

The Board entered an Order in IPR2024-00126 setting oral argument for March 12, 2025 (Paper 22).

In the interest of efficiency, Patent Owner respectfully requests that the Board cancel the oral argument. Petitioner does not oppose this request, but defers to the Board's determination of whether oral argument would be helpful.

Patent Owner does not believe that a conference call is necessary, but should the Board wish to hold a conference call, the parties are available at the Board's convenience.

Thank you,
