TEXTS WE LOVE

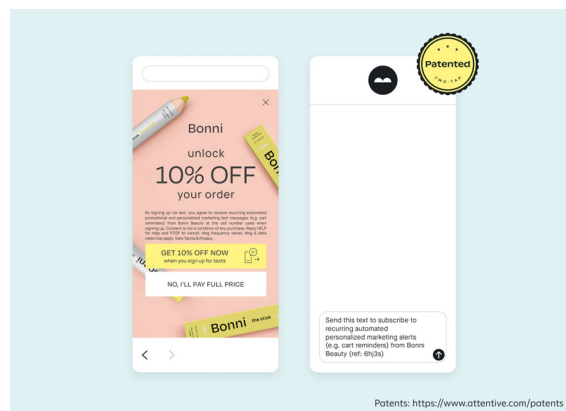

**Learn how top brands
grow their subscribers
with creative sign-up
units**

[Get Inspired](#)

**Create impactful
experiences that
boost conversions**

Turn browsers into buyers

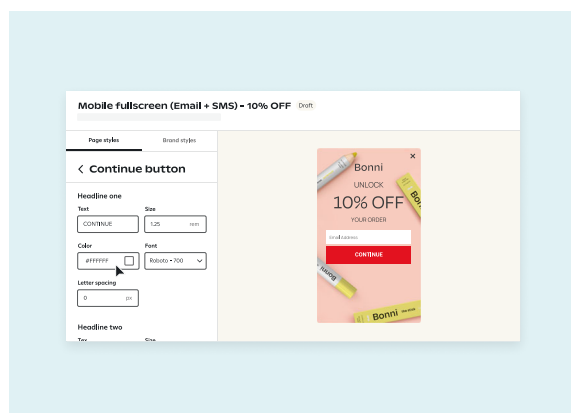

- Decide when and where to show your sign-up units with display rules
- Simplify sign-up with our patented two-tap technology
- Collect valuable first- and zero-party data during opt-in

Patents: <https://www.attentive.com/patents>

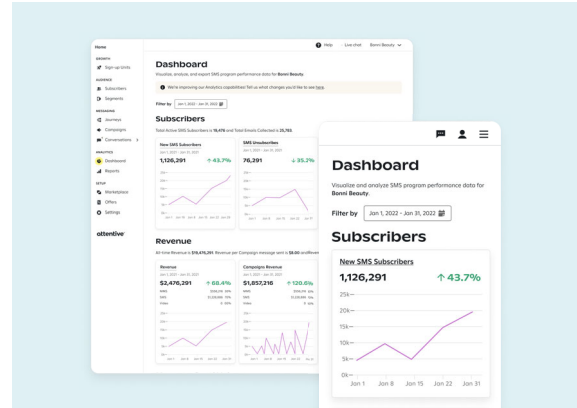

Customize in just a few clicks

- Create sign-up units optimized for any device with pre-built templates
- Upload your brands assets to match your style
- Identify and fix issues with our built-in accessibility compliance tools

Analyze performance and refine over time

- A/B test design elements, offers, and copy to continually improve performance
- Track trends and see which sources are driving the most growth
- Access detailed metrics and generate pre-built, customizable analytics reports

**Choose from
30+ sign-up
units to
collect opt-
ins across all
your
marketing
channels**

- ✓ landing pages
- ✓ email
- ✓ social media
- ✓ e-commerce checkout
- ✓ in-store

BEEKMAN
1802

“The ease of use of Attentive’s sign-up units has been huge for us. We’ve seen massive success to date capturing SMS and email at the same time. That one pop-up has led to the growth of both of our lists. It’s completely hands-off.”

Adam Bshero
VP of Digital Marketing
