Petitioners T-Mobile USA, Inc., AT&T Services, Inc., AT&T Mobility LLC, AT&T Corporation, Cellco Partnership d/b/a Verizon Wireless, Nokia of America Corporation, and Ericsson Inc. (“Petitioners”) provide the following updated mandatory notices pursuant to 37 C.F.R. § 42.8.

1. Real Parties in Interest under 37 C.F.R. §42.8(b)(1)

The real parties in interest are T-Mobile USA, Inc., AT&T Services, Inc., AT&T Enterprises, LLC, AT&T Mobility LLC, Cellco Partnership d/b/a Verizon Wireless, Nokia of America Corporation, and Ericsson Inc.¹ AT&T Corp. was named as a defendant in one of the previously identified related matters. AT&T Corp. has undergone a corporate transaction and is now merged and converted into

¹ Out of an abundance of caution, Petitioners identify all current defendants in the previously identified related matters as potential real parties in interest only for the purpose of this proceeding and only to the extent that Patent Owner contends that these separate legal entities should be named real parties in interest in this IPR. Petitioners do so to avoid the potential expenditure of resources to resolve such a challenge. Petitioners also acknowledge that each petitioner has a number of affiliates. No unnamed entity is funding, controlling, or otherwise has an opportunity to control or direct this Petition or Petitioner’s participation in any resulting IPR. Petitioners are also not aware of any affiliate that would be barred from filing this Petition under 35 U.S.C. § 315(e).

AT&T Enterprises, LLC.

To avoid additional issues associated with real parties in interest, Petitioners likewise identify Samsung Electronics Co., Ltd. because its products were accused of infringement in the AT&T, T-Mobile, and Verizon actions previously identified as related matters, and Samsung Electronics Co., Ltd. has been named as a defendant in a litigation previously identified as a related matter.
