To the Honorable Board,

Patent Owner opposes expunging the *Sotera* stipulation, which should remain public record. The Institution Decision (Paper 14) says nothing about expunging the stipulation. Petitioner did not meet and confer about this.

Your honors,

I am counsel of record for Petitioners. Pursuant to the Board's Institution Decision in the above-captioned matter (Paper 14), Petitioners request that its *Sotera* Stipulation (Paper 8) be expunged. Petitioners further request that, consistent with the Board's order that the Board will "treat Petitioner as being bound by the Carriers' Sand Revolution stipulation in IPR2024-00137" (Paper 14 at 15), the Board grant Petitioners permission to file the same *Sand Revolution*-style stipulation filed with the Petition in IPR2024-00137, Paper 1 at 62.

Regards,
Quincy
