Dear Judges,

In our attempt to comply with 37 CFR §42.8(a)(3), we mistakenly updated the “Discretionary Denial is Not Appropriate” section of the Petitions (IPR2024-00142; IPR2024-00167; IPR2024-00168) without authorization from the Board as required by 37 CFR 42.20(a) & (b). Please note that this section had been updated to reflect that a stay was granted in a related matter when previously this section provided that no motion for stay had yet been filed. The unauthorized arguments are in papers: IPR2024-00142, Paper 9; IPR2024-00167, Paper 8, IPR2024-00168, Paper 8.

Corrected papers have been filed in each IPR listed above to update the mandatory notices without unauthorized amendments and we defer to the Board to expunge the unauthorized papers under 37 CFR 42.7(a) if deemed appropriate.

Best regards,

--
