ORDER
Conduct of the Proceeding
37 C.F.R. § 42.5

On April 17, 2025, we entered a Final Written Decision in this proceeding determining that Petitioner had demonstrated, by a preponderance of the evidence, that claims 1, 3, 5, 10, 11, 13–15, 18–20, 26,

and 27 of U.S. Patent No. 10,469,555 B2 are unpatentable. Paper 57 (“Decision”). We also determined that Petitioner had not demonstrated, by a preponderance of the evidence, that claims 4, 7–9, 16, 17, and 22–25 of U.S. Patent No. 10,469,555 B2 are unpatentable. *Id.* The Decision discusses or cites information that has been designated confidential under the Protective Order that was entered in this case. *See* Paper 33 (granting-in-part Motion to Seal), Ex. 2088 (Default Protective Order). Accordingly, we have entered the Decision in the Board’s P-TACTS system as “Board and Parties Only” to afford the parties an opportunity to identify any confidential information to which we have referred in the Decision.

Petitioner and Patent Owner are to file jointly, within ten (10) business days of the entry of this Order, a proposed redacted version of the Decision, or, in the alternative, a Notice stating that the Decision does not contain any confidential information. *See* Paper 10, 3 (“Redactions to documents filed in these proceedings should be limited to the minimum amount necessary to protect confidential information, and the thrust of the underlying argument or evidence must be clearly discernible from the redacted versions.”).

We remind the parties that documents in a proceeding may be made available to the public. 37 C.F.R. § 42.14; Paper 10, 3 (“We also advise the parties that information subject to a protective order may become public if identified in a final written decision in these proceedings, and that a motion to expunge the information will not necessarily prevail over the public interest in maintaining a complete and understandable file history.”).

In consideration of the foregoing, it is hereby

ORDERED that, within ten (10) business days of the entry of this Order, Petitioner and Patent Owner are to file jointly a proposed redacted version of the Decision, or, in the alternative, a Notice stating that the Decision does not contain any confidential information.
