Subject: IPR2024-00150: Joint request to expunge exhibit and paper and file corrected petition

CAUTION: This email has originated from a source outside of USPTO. **PLEASE CONSIDER THE SOURCE** before responding, clicking on links, or opening attachments.

Dear Honorable Board:

In the above-referenced IPR, on November 15, 2023, Petitioner filed a motion to seal Exhibit 1015 (PO's district court infringement contentions) and filed that exhibit as Board and parties only. On Friday, January 19, 2024, PO's counsel reached out to Petitioner, pointing out that the district court's protective order prohibits the use of confidential documents (including Exhibit 1015) outside of the litigation. After meeting and conferring by email on the issue, although Petitioner continues to disagree with PO's position, the parties agreed to jointly request the following from the Board:

1. The Board expunge Exhibit 1015, and Paper 3 (motion to seal Exhibit 1015).
2. The Board permit Petitioner to file a corrected petition, deleting Exhibit 1015 and the single sentence citing to Exhibit 1015 (redline attached).
3. The Board continues to accord the same filing date to the corrected petition of November 15, 2023.

Ex. 3001,
IPR2024-00150

If the Board wishes to have a conference call to discuss this joint request, the parties will confer and provide dates and times of mutual availability.

Best regards,

Jessica Kaiser
