**Subject:** 337-TA-1372 - Complainant's Conception and Priority Disclosure

Counsel,

Pursuant to the Procedural Schedule (Order No. 6) in Investigation No. 337-TA-1372, and based on its current investigation and understanding, Complainant hereby provides the following identification of conception and priority date:

The inventions claimed in the asserted infringement claims and domestic industry claims of U.S. Patent No. 10,334,881 ("the '881 patent") and U.S. Patent No. 11,497,864 ("the '864 patent") were conceived on July 28, 2009 and diligently reduced to practice thereafter. The asserted infringement claims and domestic industry claims of the '881 patent and the '864 patent are entitled to a priority date of July 27, 2010, which is the filing date of U.S. Application No. 12/843,917.

Complainant reserves the right to supplement, amend, or revise this disclosure as may be warranted in light of ongoing discovery and investigation.

Best regards,  
Sutton
