1 time talking about this. I don't want this to devolve into
2 a satellite issue. I would like to avoid that as much as
3 possible.

4 Mr. Davenport, I understand your position. If
5 there is information about prior art, you would like to get
6 it. I understand that.

7 However, I think it's important to kind of
8 recognize where we are and that at least from the
9 information that's been presented to me so far, it doesn't
10 appear that Mr. Wang is necessarily completely truthful.

11 So I would take with a grain of salt what he has
12 said with respect to the prior art. I don't believe from
13 what I have seen it is necessarily true. Though I do
14 recognize, Mr. Davenport, your desire to obtain prior art
15 information.

16 So I would like the parties to consider issues I
17 just raised and discuss them. And as part of your status
18 report, report to me the status of these discussions,
19 including what it is you would like me to do. I need to
20 know that specifically.

21 Are there any questions on that?

22 MR. DAVENPORT: No questions from me, Your Honor.
23 I understand. Thank you.

24 JUDGE JOHNSON HINES: Mr. Desai?

25 MR. DESAI: No, Your Honor. Thank you.
