IPR2024-00170

U.S. Patent No. 11,584,968

---

**JOINT MOTION TO TERMINATE  
PURSUANT TO 35 U.S.C. § 317 AND 37 C.F.R. § 42.74**

**I. STATEMENT OF THE PRECISE RELIEF REQUESTED**

Pursuant to 35 U.S.C. § 317 and 37 C.F.R. § 42.74, Petitioner Foresight Diagnostics Inc. (“Foresight”) and Patent Owner Personalis, Inc. (“Personalis”) jointly move to terminate the above-referenced *inter partes* review proceeding in light of the parties’ settlement of their disputes regarding the involved patent, U.S. Patent Number 11,584,968. The filing of this Joint Motion was authorized by the Board in an email dated June 26, 2024. The parties have filed a true copy of their written Settlement Agreement (Ex. 2202) in connection with this matter as required by the statute. Given that Foresight is the only Petitioner in this proceeding, the settlement effectively resolves all disputes, and the entire proceeding should be dismissed as to both Petitioner and Patent Owner.

**II. STATEMENT OF REASONS FOR THE RELIEF REQUESTED**

On June 21, 2024, Petitioner and Patent Owner reached an agreement resolving all disputes regarding the patent involved in this *inter partes* review proceeding, as well as the related district court litigation between Petitioner and Patent Owner. No other petitioners remain in this *inter partes* review proceeding. Accordingly, termination is appropriate because all disputes between the parties regarding U.S. Patent Number 11,584,968 has been resolved.

Patent Owner has not submitted its Patent Owner Response, no other trial briefs have been filed, and oral argument has not yet taken place. Accordingly, termination is appropriate.

Pursuant to 35 U.S.C. § 317(b) and 37 C.F.R. § 42.74(b), filed separately as Exhibit 2202 is a true copy of the written Settlement Agreement resolving the disputes in the above-captioned *inter partes* review. The parties also are filing separately herewith a request that this exhibit that constitutes the settlement agreement be treated as business confidential information and be kept separate from the file of this proceeding in accordance with 37 C.F.R. § 42.74(c).

For at least these reasons, Patent Owner and Petitioner submit that termination of this *inter partes* reviews is appropriate.

Dated: June 28, 2024

Respectfully Submitted By:
