Counsel for Petitioner

**DECLARATION OF RON HAGIZ IN SUPPORT OF PETITIONER'S
MOTION FOR PRO HAC VICE ADMISSION**

I, Ron Hagiz, being duly sworn and upon oath, hereby attest to the following:

1. I am a member in good standing of the Bar of the State of New York.
2. I have not been suspended or disbarred from practice before any court or administrative body.
3. I have never had an application for admission to practice before any court or administrative body denied except as noted in paragraph 7.
4. No sanctions or contempt citations have been imposed against me by any court or administrative body.
5. I have read and will comply with the Office Patent Trial Practice Guide and the Board's Rules of Practice for Trials set forth in part 42 of 37 C.F.R.
6. I will be subject to the USPTO Rules of Professional Conduct set forth in 37 C.F.R. §§ 11.101 *et seq.* and disciplinary jurisdiction under 37 C.F.R. § 11.19(a).
7. This is my sixth appearance *pro hac vice* before the Board. I have previously appeared before the Board (and had my *pro hac vice* application granted) in: IPR2020-00518, IPR2020-00531, IPR2020-00540, IPR2023-00435, and IPR2023-00436. I also previously applied for *pro hac vice* admission in IPR2022-00741. The Board denied my motion without prejudice because my declaration did not list the proceedings where I had previously applied for admission, however,

because of personal and professional conflicts that subsequently arose, I ultimately did not renew my motion.

8. I am an experienced litigation attorney with over 14 years of experience. My experience includes representing a wide range of clients in complex intellectual property and commercial litigation matters.

9. I have worked with lead counsel in most aspects of his participation in these proceedings. As such, I have reviewed and am familiar with (i) the patent at issue in this proceeding; (ii) the prior art relied upon by Petitioner; (iii) the legal and factual arguments made by Petitioner in both its Petition for *inter partes* review and in the supporting declaration of Dr. Zagal as well as the legal and factual arguments addressed by Patent Owner in its Patent Owner Response; (iv) the decision of the Board in its Decision Granting Institution; and (v) the developments in this proceeding since Petitioner filed its Petition. I am also centrally involved with and am counsel of record for Petitioner in the district court litigation, *Flip Phone Games, Inc. v. PLR Worldwide Sales Limited*, 2:23-cv-00139-JRG (ED. Tex.), which involves the same patent.

10. I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements are made with knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both,

under Section 1001 of Title 18 of the United States Code.
