

CABLE RINGS & SADDLES FOR SOLAR PANEL WIRING

*Safe, Strong and Durable Support
for All Types of Solar Power Cables*

CAB Cable Rings and Saddles offer the highest quality support for all types of solar panel wiring.

Cable Rings perform as a high quality mini-cable tray system for a fraction of the cost of cable tray.

Cable Rings are manufactured from high tensile spring steel. They are designed to tightly lock on the messenger wire for an extremely strong and secure cable support system.

The wide load bearing area of the Saddles provides extra support and protection of cables.

CAB Cable Rings and Saddles have plenty of capacity for large bundles of string wiring. Pictured here are CAB's 2-inch (51 mm) diameter, long style, PVC coated Cable Rings and Saddles.

Large Cost Savings Compared to Buried Cables or Cable Tray in Solar Power Plants

- ✓ *Lower Material Cost*
- ✓ *Quicker Installation*
- ✓ *Easy Maintenance*

CAB, EX2007
Case No. IPR2024-00178

CAB's innovative design provides a strong, tight grip of the Cable Ring to the messenger wire. This allows cables to be pulled long distances quickly and easily.

Tough, Industrial-Grade Hangers with a Safe Working Load over 140 lb. (63.5 kg) Each

CAB Cable Rings and Saddles install quickly and easily for large labor savings on the job site. Cable Rings lock in place in just five seconds and provide strong, secure support with easy access for troubleshooting and maintenance.

For maximum corrosion resistance, Cable Rings are manufactured from class 50 galvanized steel or type 316 stainless steel.

For added safety and protection, CAB Cable Rings and Saddles can be totally insulated with a tough, durable 80 mil (2mm) coating of PVC Plastisol. The coating is UV stabilized, flame retardant, and high dielectric grade.

Contact CAB for full brochure or info on sizing, spacing recommendations, safe working loads, shipping, etc.

For over 35 years, electrical engineers have specified CAB Products in the most corrosive and demanding environments around the world.

CAB is a private, non-profit organization dedicated to providing job opportunities and services to persons with disabilities. CAB Products are manufactured by CAB employees with great pride and integrity. We deeply appreciate the help and support of our customers over the years. Through your orders, many disabled persons are given the opportunity to be productive, independent, and self-sufficient.
