Dear Board,

Petitioners, Hanshow America Inc. and Hanshow Technology Co., Ltd., respectfully request authorization to file corrected exhibits containing supplemental affidavits for the certified translations of Fujiwara (IPR2024-00189, Ex. 1003) and Sakata (IPR2024-00190, Ex. 1008) to address the alleged deficiencies identified in Patent Owner's Preliminary Response (IPR2024-00189, Paper 10, pages 10-11; IPR2024-00190, Paper 9, pages 19, 22). In the corrected exhibits, Petitioners include updated affidavits supporting the certified translations. Petitioners respectfully submit that the translation certification of Akao (IPR2024-00190, Ex. 1004) complies with §§ 42.63(b) and 42.2 based on rulings in PTAB-IPR2020-01306 and PTAB-IPR2022-01357.

Petitioners conferred with Patent Owner on the above request and Patent Owner indicates it does not oppose. Patent Owner, however, has not seen the corrected exhibits Petitioners seek to file and reserves the right to contest whether they are sufficient to meet the requirements for such declarations. Patent Owner also does not concede that the translation certification for Akao is adequate for the reasons in the -190 preliminary response.

If needed, counsel for both parties can meet and confer and provide times of mutual availability for a conference call.

Thanks,
Hao
