Counsel,

To date, Petitioner has not corrected the deficiencies noted below in the motions for *pro hac vice* admission. Because final written decisions have now been entered, we will dismiss the motions if Petitioner does not withdraw them.

Subject: IPR2024-00171, IPR2024-00200: PHV Motion

Counsel:

Petitioner filed motions for *pro hac vice* admission of Ms. McCracken in IPR2024-00171 (Paper 27) and IPR2024-00200 (Paper 26).

The following deficiencies with the motions have been identified:

- (1) The Declarations accompanying the motions do not list all other proceedings before the Office for which the individual has applied to appear *pro hac vice* in the last three (3) years. This is required by the Board's *Unified Patents* decision (IPR2013-00639, Paper 7 at 3).
- (2) The Declarations were filed as a part of the Motions, not as a separate exhibit. Affidavits and declarations must be filed as exhibits. *See* 37 C.F.R. § 42.63(a).

(3) Powers of Attorney (POA) including Ms. McCracken were not submitted.

(4) Mandatory notices identifying Ms. McCracken as back-up counsel were not submitted.

Please file corrected Declarations (as exhibits), POAs, and updated mandatory notices to cure these deficiencies within 10 business days (and well before any scheduled appearance to give us time to act on the Motions) or the motions will be denied. Please do not file new PHV motions as that requires a new PHV fee payment.
