Re: *Apple Inc., v Masimo Corp., et al.*, Case. No. 1-22-cv-01378

Counsel:

We write regarding the *inter partes* review (IPR) petition (IPR2024-00241) that Apple Inc. (“Apple”) filed with the Patent Trial and Appeal Board (PTAB) challenging claims 1-25 of U.S. Patent No. 10,687,743 (“the ’743 Patent”), and the IPR petition (IPR2024-00242) that Apple filed with the PTAB challenging claims 1, 3-14, and 16-25 of the ’743 Patent. The tables in attached Appendices A, B, and C list the grounds and references asserted in IPR2024-00241 and IPR2024-00242.

Apple hereby stipulates that if the PTAB institutes IPR2024-00241, Apple will not pursue for the instituted claims, in the above-captioned litigation, the same grounds as in the IPR2024-00241 petition or any grounds that could have reasonably been raised in that petition. *Sotera Wireless, Inc. v. Masimo Corp.*, IPR2020-01019 Pap. 12 (PTAB Dec. 1, 2020) (precedential).

Apple also hereby stipulates that if the PTAB institutes IPR2024-00242, Apple will not pursue for the instituted claims, in the above-captioned litigation, the same grounds as in the IPR2024-00242 petition or any grounds that could have reasonably been raised in that petition. *Sotera Wireless, Inc. v. Masimo Corp.*, IPR2020-01019 Pap. 12 (PTAB Dec. 1, 2020) (precedential).

In so stipulating, Apple seeks to avoid multiple proceedings in different forums addressing the validity of the instituted claims based on the same grounds. Rather, through this stipulation,

Page 2
May 20, 2024

Apple expresses its intention to have only the PTAB address any grounds of invalidity of instituted claims that could have reasonably been raised in the IPR2024-00241 and IPR2024-00242 petitions.

Sincerely,

/s/ Jordan N. Malz
