

[Redacted]

PPG Development Partner | Sensing Goals

- Identify a team of world experts who have years of experience designing and shipping PPG sensors

[REDACTED]

- Have “been there, done that” with the myriad approaches for optical configurations, analog approaches, signal processing options. Have a good sense for which sensor fusion ideas are likely to work, and which ones have been tried and failed (and they know why they failed)

[REDACTED]

7/11/2016
