

1 makes sense, since we are presenting our direct case on a
2 number of issues that Apple refused to stipulate to.

3 The balance, which we informed Apple yesterday,
4 is that during today's presentation, when their witnesses
5 are going, they are going to spend way more time than we do.

6 So we think to it makes sense to revisit this at
7 the end of the day, see where we're at, and we can have a
8 discussion at this point.

9 JUDGE BHATTACHARYYA: You don't have an estimate
10 right now as to how much time Masimo has left? I
11 understand -- if you don't know, that's fine.

12 MS. SWAROOP: Thank you, Your Honor. We'll work
13 on getting that number. We've been working on how much time
14 we have and the spread -- as to what the spread we had
15 originally projected, and we are in line with that.

16 JUDGE BHATTACHARYYA: Okay. Let's go ahead with
17 the witness.

18 MR. MUELLER: Thank you, Your Honor. We'll
19 resume with Dr. Mehra, please.

20 SAAHIL MEHRA,
21 having been previously duly sworn and/or
22 affirmed on his oath, was thereafter examined and testified
23 further as follows:

24 MR. SELWYN: Your Honor, may we begin on the
25 Apple confidential record, please.

1 JUDGE BHATTACHARYYA: Yes.

2 (Whereupon, the hearing proceeded in confidential
3 session.)
