("Petitioner" or "Samsung") and Patent Owner Advanced Coding Technologies LLC ("ACT" or "Patent Owner") (collectively, the "Parties") have reached a resolution and jointly move to terminate the above-captioned proceeding. As permitted by statute, Samsung and ACT request that the Board treat as business confidential information, the true copy of the executed agreement resolving the parties' disputes and agreeing to terminate this proceeding and the parties' related district court proceeding (Exhibit 2003), as referenced in the parties' Joint Motion to Terminate Proceeding (pursuant to 35 U.S.C. § 317 and 37 C.F.R. § 42.74), filed concurrently herewith.

*A party to a settlement may request that the settlement be treated as business confidential information and be kept separate from the files of*

*an involved patent or application. The request must be filed with the settlement. If a timely request is filed, the settlement shall only be available:*

- (1) To a Government agency on written request to the Board; or*
- (2) To any other person upon written request to the Board to make the settlement agreement available, along with the fee specified in § 42.15(d) and on a showing of good cause.*

The present request, which is being filed contemporaneously with the Agreement, is timely and in accordance with the foregoing authority. The agreement and release describe the confidential terms resolving the parties' dispute, which constitute confidential information under the Board's rules. *See* 37 C.F.R. § 42.54. The parties hereby certify that, to the best of their knowledge, the documents sought to be protected have not been made publicly available.
