Subject: Greenthread Cases - Redacted Versions of Documents Sought to be Sealed
Date: Wednesday, July 10, 2024 12:22:02 PM

Counsel,

From the Board –

The Board has a strong interest in the public availability of trial proceedings. Confidential information that is subject to a protective order ordinarily would become public 45 days after denial of a petition to institute a trial or 45 days after final judgment in a trial. There is an expectation that information will be made public where the existence of the information is referred to in a decision to grant or deny a request to institute a review or is identified in a final written decision following a trial. As a result, when confidentiality is alleged in some but not all of the information submitted to the Board, the submitting party should file confidential and non-confidential versions of its submission.

In each of the below-identified cases in which motion(s) to seal were filed, please also file a proposed redacted version of each document sought to be sealed, if you have not already done so. Please file proposed redacted documents in each case, including any proposed protective orders (and how they may deviate from the proposed default protective order). See Consolidated Trial Practice Guide pp. 21-22, 111 (Protective Order Guidelines), 119—120 (Default Protective Order).” At present, some proceedings refer to documents filed in other proceedings. See e.g., IPR2024-00468 (Paper 7), -469 (Paper 7), -470 (Paper 6), -550 (Paper 6), -551 (Paper 6), -552 (Paper 6), -553 (Paper 6).

Please file the required documents on or before July 22, 2024.
