Mark,

Greenthread requests that OnSemi file under seal. We filed our materials under seal, because we believe that some of the materials we filed require that treatment, e.g. Greenthread's licenses. Assuming that at least some of the materials you plan to refer to or describe are the materials that are appropriate for sealing, then OnSemi should likewise file under seal.

Subject: Greenthread/onsemi IPRs - Sealing Oppositions to Request for Discovery

Counsel,

We are preparing to file onsemi's Oppositions to Greenthread's Motions for Discovery in IPR2023-01242, -01243, and -01244. The Oppositions will refer to and describe materials that Greenthread submitted under seal with its Motions. However, onsemi does not have any position on whether the materials that Greenthread submitted under seal warrant such treatment. Please let us know promptly if Greenthread requests that onsemi file these Oppositions under seal as well.

Best regards,
Mark
