Counsel,

Motion Offense's Sur-Replies improperly contain new evidence and raise arguments that the Board already found untimely. I have attached versions of Motion Offense's Sur-Replies that highlight the improperly included material that should be redacted. Please confirm that Motion Offense will file redacted versions as Corrected Patent Owner Sur-Replies. Otherwise, Dropbox will seek leave from the Board to move to strike Motion Offense's Sur-Replies and reserves all rights as to additional relief in light of Motion Offense's flaunting of the Board's ruling, including sanctions as appropriate.

If Motion Offense does not agree to file Corrected Patent Owner Sur-Replies, please let us know your availability to meet and confer today Tuesday, March 25 or tomorrow Wednesday, March 26.

Best regards,

Trishan
