Docket Text:

**** TEXT ONLY ORDER ****

The parties jointly move to add DBR Finance, Inc. as a defendant and extend all deadlines in this case by three months. Dkt. [24] and Dkt. [25]. The court construes the motion to add a new defendant, Dkt. [24], as a motion for leave to amend the complaint under Rule 15; the motion is GRANTED. Plaintiff is directed to file and serve an amended complaint no later than July 6, 2023. The motion for an extension of time, Dkt. [25], is GRANTED in part. Defendant's deadline for invalidity contentions is extended to August 25; the deadline for exchanging proposed claim constructions is extended to September 26; and the deadline for responses to claim constructions is extended to October 10. All other deadlines remain in place for now. The parties allege that DBR is closely related to the existing defendant, so it would be premature to make substantial changes to the schedule before DBR asks for them. After DBR becomes a party, the parties may ask for schedule adjustments upon a showing of good cause. Signed by District Judge James D. Peterson on 6/20/2023. (lam)
