Case Name: Rugged Cross Hunting Blinds, LLC v. FeraDyne Outdoors, LLC

Case Number: [3:22-cv-00690-jdp](#)

Filer:

Document Number: 66(No document attached)

Docket Text:

**** TEXT ONLY ORDER ****

Defendant FeraDyne Outdoors has moved to stay this patent case pending possible *inter partes* review of the patent at issue here. The petition was filed with the United States Patent and Trademark Office's Patent Trial and Appeal Board (PTAB) on December 8, 2023. PTAB generally takes about six months to determine whether to initiate review. Absent compelling circumstances, the court will not stay a patent case because of a mere petition for *inter partes* review. FeraDyne does not show compelling circumstances, but relies on only generally applicable reasons to stay the case. Accordingly, FeraDyne's motion to stay, Dkt. [55], is DENIED. If PTAB grants the petition and initiates review, FeraDyne is encouraged to renew its motion for a stay. Signed by District Judge James D. Peterson on 02/09/2024. (acd)
