From Champro Sports:

For thirty years, we have provided America's™ teams, leagues and players with the absolute best values in performance athletic equipment and uniforms. Athletes and sports organizations have discovered that they can use performance equipment and wear top quality uniforms while not paying a premium for an advertised logo. Our expanded line now offers a full range of team sports equipment and apparel for the most demanding athletes at all performance levels. We continue to provide the best values in premium quality athletic equipment and apparel by adhering to five basic principles. First, our equipment and apparel is manufactured in the best and most experienced factories in the world. Next, we maintain product specifications and performance standards that equal or surpass heavily advertised brands. We also don't pay professional athletes or teams to use or endorse our equipment. Teams and athletes choose us because our equipment and apparel performs better. Fourth, we stand behind our product. We believe our equipment and apparel will exceed the expectations of even the best athletes. And lastly, we offer the

best customer service in the industry. Our suburban Chicago headquarters and distribution center and our Los Angeles area distribution center have enabled us to further increase our inventory levels and improve efficiency. We are committed to same day shipment of your orders placed before 1:00pm est. As always, we hope you will let us know if there is anything we can do to improve our product line or service.

About Graham Sporting Goods:

We are new to servicing you online but we have been outfitting players, teams and businesses for over 30 years. We understand you might have some hesitation buying from a new website.

Let me help put you at ease.

This is what happens after you start checking out. Your credit card information is securely processed by PayPal. (*you do **not** need a PayPal account*) We choose to use PayPal as our processor so your information stays secure at all times. We never have access to your credit card information, it is processed by PayPal and then the funds are transferred to us. This is all done without leaving our
