Dear Board,

In reference to the attached request to supplement its preliminary response, the Patent Owner, RCHB is hereby withdrawing its request. DBR has objected to the request in view of a protective order filed in the Wisconsin patent infringement litigation. RCHB intends on filing an emergency motion for relief from the protective order entered in the Middle District of Wisconsin for filing the interim arbitration ruling, which DBR and RCHB reference in the previous filings. If relief is granted for filing the interim arbitration ruling, RCHB shall renew its request its supplement its preliminary response.

Best regards,
