

Fourteen Forty Pump Time Record

We are currently working with [Downing](#) and [Liberty Oilfield Services](#) for a project in NM with Kaiser Francis. We have been utilizing [Downing](#) Freedom Series System and iControl giving us the opportunity to continuously pump. It has been a pleasure supervising and helping coordinate with Downing and Liberty to achieve Operation 1440 for the first ever continuously pumped zipper frac. What a pleasure to be part of such an endeavor and what an amazing display of frac'n by the Dynasty Frac Crew! If you too want to achieve Operation 1440 we can help. [Read the full article here.](#)
