-----------------------------	---	-------------------------

◊ Offer valid on qualifying purchases of Eligible Products from November 24, 2023, to November 27, 2023, at a Qualifying Location. Offer subject to availability. While supplies last. Qualifying purchasers can receive a discount equal to the value of the Promotion Product (depending on their purchase) off the price of the Eligible Product, but will be charged for all items in their cart. Important notice regarding the checkout receipt and monthly statement for Apple Card Monthly Installments (ACMI) purchases with this promotion: A purchase of an Eligible Product made when selecting ACMI (a 0% APR payment option available only in the U.S.) as the payment type at checkout will receive an instant credit equal to the cost of the Promotion Product (Apple Gift Card) deducted from the price of the Eligible Product at the time of purchase. You will be charged one ACMI installment plan for the Eligible Product discounted by the instant credit. The value of the Promotion Product (i.e., the value of the Apple Gift Card) will also be charged in a separate second ACMI installment plan for the same number of months as the discounted Eligible Product. The total combined amount charged over the 2 separate ACMI installment plans will reflect the original full retail price of the Eligible Product. Separately, you will receive and be charged for the Promotion Product (Apple Gift Card) in the amount of the applicable instant credit. ACMI is a 0% APR payment option that is only available if you select it at checkout in the U.S. for eligible Apple products purchased at Apple Store locations, [apple.com](#), the Apple Store app, or by calling 1-800-MY-APPLE, and is subject to credit approval and credit limit. See [support.apple.com/kb/HT211204](#) for more information about eligible products. APR ranges may vary based on when you accepted an Apple Card. Cardholders who accept an Apple Card on and/or after August 10, 2023: Variable APRs for Apple Card, other than ACMI, range from 19.24% to 29.49% based on creditworthiness. Rates as of August 10, 2023. Existing cardholders: See your [Customer Agreement](#) for applicable rates and fee. If you buy an ACMI-Eligible Product by choosing to pay in full with Apple Card (instead of using ACMI), that purchase is subject to the Apple Card variable APR, not 0% APR. Taxes and shipping on ACMI purchases are subject to the variable APR, not 0% APR. You'll need to select AT&T, T-Mobile, or Verizon as your carrier when you check out. An iPhone purchased with ACMI is always unlocked, so you can switch carriers at any time. ACMI is not available for purchases made online at the following special stores: Apple Employee Purchase Plan; participating corporate Employee Purchase Programs; Apple at Work for small businesses; Government, and Veterans and Military Purchase Programs, or on refurbished devices. The last month's payment for each product will be the product's purchase price, less all other payments at the monthly payment amount. ACMI financing is subject to change at any time for any reason, including but not limited to, installment term lengths and eligible products. See [support.apple.com/kb/HT211204](#) for information about upcoming changes to ACMI financing. See the [Apple Card Customer Agreement](#) for more information about ACMI financing. Apple Card is issued by Goldman Sachs Bank USA, Salt Lake City Branch. Available for qualifying applicants in the United States. If you reside in the U.S. territories, please call Goldman Sachs at 877-255-5923 with questions about accessing this offer or applying for Apple Card. Except for ACMI, this offer cannot be combined with other Apple promotions or financing offers that are directed to individual end-user customers in the Qualifying Location. This offer also cannot be combined with the Apple Employee Purchase Plan or business loyalty pricing. Some methods of payment are not accepted under this offer. See checkout for details. Additional restrictions apply. View full terms and conditions of offer [here](#).

* Pricing for iPhone 15 and iPhone 15 Plus includes a \$30 connectivity discount that requires activation with AT&T, T-Mobile, or Verizon. Pricing shown for iPhone 14, iPhone 14 Plus, and iPhone 13 includes a \$30 connectivity discount for Verizon and T-Mobile customers that requires activation and would otherwise be \$30 higher for all other customers.

** Trade-in values will vary based on the condition, year, and configuration of your eligible trade-in device. Not all devices are eligible for credit. You must be at least 18 years old to be eligible to trade in for credit or for an Apple Gift Card. Trade-in value may be applied toward qualifying new device purchase, or added to an Apple Gift Card. Actual value awarded is based on receipt of a qualifying device matching the description provided when estimate was made. Sales tax maybe assessed on full value of a new device purchase. In-store trade-in requires presentation of a valid photo ID (local law may require saving this information). Offer may not be available in all stores, and may vary between in-store and online trade-in. Some stores may have additional requirements. Apple or its trade-in partners reserve the right to refuse or limit quantity of any trade-in transaction for any reason. More details are available from Apple's trade-in partner for trade-in and recycling of eligible devices. Restrictions and limitations may apply.

1. The display has rounded corners that follow a beautiful curved design, and these corners are within a standard rectangle. When measured as a standard rectangular shape, the screen is 5.42 inches (iPhone 13 mini, iPhone 12 mini), 5.85 inches (iPhone 11 Pro, iPhone Xs, iPhone X), 6.06 inches (iPhone 14, iPhone 13 Pro, iPhone 13, iPhone 12 Pro, iPhone 12, iPhone 11, iPhone XR), 6.12 inches (iPhone 15 Pro, iPhone 15, iPhone 14 Pro), 6.46 inches (iPhone 11 Pro Max, iPhone Xs Max), 6.68 inches (iPhone 14 Plus, iPhone 13 Pro Max, iPhone 12 Pro Max), or 6.69 inches (iPhone 15 Pro Max, iPhone 15 Plus, iPhone 14 Pro Max) diagonally. Actual viewable area is less.
2. Service is included for free for two years with the activation of any iPhone 14 or iPhone 15 model. Connection and response times vary based on location, site conditions, and other factors. See [support.apple.com/kb/HT213885](#) for more information.
3. iPhone 14, iPhone 14 Pro, iPhone 15, and iPhone 15 Pro can detect a severe car crash and call for help. Requires a cellular connection or Wi-Fi calling.
4. All battery claims depend on network configuration and many other factors; actual results will vary. Battery has limited recharge cycles and may eventually need to be replaced. Battery life and charge cycles vary by use and settings. See [apple.com/batteries](#) and [apple.com/iphone/battery.html](#) for more information.
5. USB 3 cable with 10Gb/s speed required.

6. Data plan required. 5G, Gigabit LTE, LTE, VoLTE, and Wi-Fi calling are available in select markets and through select carriers. Speeds are based on theoretical throughput and vary based on site conditions and carrier. For details on 5G and LTE support, contact your carrier and see [apple.com/iphone/cellular](#).
7. iPhone 7, iPhone 7 Plus, iPhone 8, iPhone 8 Plus, iPhone X, iPhone Xs, iPhone Xs Max, iPhone XR, iPhone SE (2nd generation), iPhone SE (3rd generation), iPhone 11 Pro, iPhone 11 Pro Max, iPhone 11, iPhone 12 Pro, iPhone 12 Pro Max, iPhone 12, iPhone 12 mini, iPhone 13 Pro, iPhone 13 Pro Max, iPhone 13, iPhone 13 mini, iPhone 14 Pro, iPhone 14 Pro Max, iPhone 14, iPhone 14 Plus, iPhone 15 Pro, iPhone 15 Pro Max, iPhone 15, and iPhone 15 Plus are splash, water, and dust resistant and were tested under controlled laboratory conditions; iPhone 12 Pro, iPhone 12 Pro Max, iPhone 12, iPhone 12 mini, iPhone 13 Pro, iPhone 13 Pro Max, iPhone 13, iPhone 13 mini, iPhone 14 Pro, iPhone 14 Pro Max, iPhone 14, iPhone 14 Plus, iPhone 15 Pro, iPhone 15 Pro Max, iPhone 15, and iPhone 15 Plus have a rating of IP68 under IEC standard 60529 (maximum depth of 6 meters up to 30 minutes); iPhone 11 Pro and iPhone 11 Pro Max have a rating of IP68 under IEC standard 60529 (maximum depth of 4 meters up to 30 minutes); iPhone Xs, iPhone Xs Max, and iPhone 11 have a rating of IP68 under IEC standard 60529 (maximum depth of 2 meters up to 30 minutes); and iPhone 7, iPhone 7 Plus, iPhone 8, iPhone 8 Plus, iPhone X, iPhone XR, iPhone SE (2nd generation), and iPhone SE (3rd generation) have a rating of IP67 under IEC standard 60529 (maximum depth of 1 meter up to 30 minutes). Splash, water, and dust resistance are not permanent conditions. Resistance might decrease as a result of normal wear. Do not attempt to charge a wet iPhone; refer to the user guide for cleaning and drying instructions. Liquid damage not covered under warranty.
8. Available space is less and varies due to many factors. A standard configuration uses approximately 12GB to 17GB of space, including iOS 17 with its latest features and Apple apps that can be deleted. Apple apps that can be deleted use about 4.5GB of space, and you can download them back from the App Store. Storage capacity subject to change based on software version, settings, and iPhone model.
9. Size and weight vary by configuration and manufacturing process.
10. Wi-Fi 6E available in countries and regions where supported.
11. Ultra Wideband availability varies by region.
12. Apple Cash services are provided by Green Dot Bank, Member FDIC. Learn more about the [Terms and Conditions](#). Only available in the U.S. on eligible devices. To send and receive money with an Apple Cash account, you must be 18 and a U.S. resident. If you're under 18, your family organizer can set up Apple Cash for you as part of their Apple Cash Family account, but you may not be able to access features that require a supported payment card. Security checks may require more time to make funds available. Apple Cash Family accounts can send up to \$2000 per transaction and receive up to \$2000 within a seven-day period. To access and use all Apple Cash features, you must have an eligible device with Wallet that supports and has the latest version of iOS.
13. Available only in select cities and transit systems. Requires eligible device and OS version. [See here for details](#).
14. Merchant offers may change at any time.
15. Apple Card Family Participants and Co-Owners do not need to have a familial relationship but must be part of the same Apple Family Sharing group.

To access and use all Apple Card features and products available only to Apple Card users, you must add Apple Card to Wallet on an iPhone or iPad that supports and has the latest version of iOS or iPadOS. Apple Card is subject to credit approval, available only for qualifying applicants in the United States, and issued by Goldman Sachs Bank USA, Salt Lake City Branch.

If you reside in the U.S. territories, please call Goldman Sachs at 877-255-5923 with questions about Apple Card.
16. FaceTime calling requires a FaceTime-enabled device for the caller and recipient and a Wi-Fi connection. Availability over a cellular network depends on carrier policies; data charges may apply.
17. Siri may not be available in all languages or in all areas, and features may vary by area. Internet access required. Cellular data charges may apply.
18. "Hey Siri" on iPhone 6 and iPhone 6 Plus requires connection to power.
19. Wireless chargers sold separately.
20. Testing conducted by Apple in August 2017 using preproduction iPhone X, iPhone 8, and iPhone 8 Plus units and software, and in August 2018 using preproduction iPhone Xs, iPhone Xs Max, and iPhone XR units and software, with accessory Apple USB-C Power Adapters (18W Model A1720, 29W Model A1540, 30W Model A1882, 61W Model A1718, 87W Model A1719). Testing conducted by Apple in August 2019 using preproduction iPhone 11, iPhone 11 Pro, and iPhone 11 Pro Max units and software and accessory Apple USB-C Power Adapters (18W Model A1720, 29W Model A1540, 30W Model A1882, 61W Model A1947, and 87W Model A1719). Testing conducted by Apple in February 2020 using preproduction iPhone SE (2nd generation) units and software and accessory Apple USB-C Power Adapters (18W Model A1720 and 30W Model A1882). Testing conducted by Apple in September 2020 using preproduction iPhone 12 mini, iPhone 12, iPhone 12 Pro, and iPhone 12 Pro Max units and software and accessory Apple USB-C Power Adapter (20W Model A2305). Testing conducted by Apple in August 2021 using preproduction iPhone 13 mini, iPhone 13, iPhone 13 Pro, and iPhone 13 Pro Max units and software and accessory Apple USB-C Power Adapter (20W Model A2305). Testing conducted by Apple in February 2022 using preproduction iPhone SE (3rd generation) units and software and accessory Apple USB-C Power Adapter (20W Model A2305). Testing conducted by Apple in August 2022 using preproduction iPhone 14, iPhone 14 Plus, iPhone 14 Pro, and iPhone 14 Pro Max units and software and accessory Apple USB-C Power Adapter (20W Model A2305). Testing conducted by Apple in August 2023 using preproduction iPhone 15, iPhone 15 Plus, iPhone 15 Pro, and iPhone 15 Pro Max units and software and accessory Apple USB-C Power Adapter (20W Model A2305). Fast-charge testing conducted with drained iPhone units. Charge time varies with settings and environmental factors; actual results will vary.
21. iPhone 14 and iPhone 15 models are activated with an eSIM and do not support a physical SIM. Use of eSIM requires a wireless service plan (which may include restrictions on switching service providers and roaming, even after contract expiration). Not all carriers support eSIM. Use of eSIM in iPhone may be disabled when purchased from some carriers. See your carrier for details. To learn more, visit [apple.com/esim](#)
