About

Hello, I'm a dedicated student pursuing a double major in Biology and Economics at Boston College, with a focus on the pre-med track. My academic journey has equipped me with a strong foundation in both the life sciences and analytical aspects of biology and economics. Proficient in data analysis and possessing valuable clinical skills, I am committed to merging my diverse expertise to contribute to the healthcare field. My aspiration is to provide excellent patient care and elevate health awareness within diverse populations.
