Good morning counsel,

The Board does not see a need to expunge Paper 28 in light of the filing of Paper 29. The Board also reminds the parties that all counsel of record are to be copied on communications to the Board.

Dear Board,

Petitioner Qualcomm inadvertently filed its Updated Power of Attorney at Paper 28 without a certificate of service attached. Petitioner Qualcomm refiled its Updated Power of Attorney at Paper 29 to include a certificate of service.

It is respectfully requested that Paper 28 be expunged from the record.

If you have any questions or require anything further, please let me know.

With kind regards,

Sage
