Counsel,

Petitioner timely filed a request for oral argument. Paper 27. Patent Owner, however, has not filed a request for oral argument. If the panel were to grant Petitioner's request for oral argument, the panel would like to know whether Patent Owner will participate in the oral argument. If Patent Owner does not plan to participate in the oral argument, the panel would like to know whether Petitioner still wants an oral argument or, alternatively, whether Petitioner would be willing to rest on its briefs.
