Dear Board,

Petitioner respectfully seeks authorization to file a 5-page reply to the POPR in each of the above proceedings, limited to addressing the POPR's arguments regarding the Board's intervening institution and rehearing decisions in IPR2023-01130. There is good cause because these intervening decisions were decided after Petitioner filed its petitions in the above proceedings, and Petitioner could not have foreseen Patent Owner's characterization of those decisions.

Patent Owner opposes the Requested Relief. If the Requested Relief is granted, Patent Owner requests an equal-length sur-reply which Petitioner would not oppose.

Should the Board desire a conference call to discuss this request, the parties are available at the following times:

- Thursday 4/11 2-5 pm ET
- Friday 4/12 2-5 pm ET

Thank you.

Grace Wang
Lead Counsel for Petitioner
