Counsel,

We have received the Director Review request filed in PTACTS on August 21, 2024. As explained on the Director Review webpage, however, counsel also must submit an email with its request. “[A] party may submit a Director Review request by concurrently: (1) filing a Request for Rehearing by the Director in the Patent Trial and Appeal Case Tracking System (P-TACTS); and (2) emailing the Director at Director_PTABDecision_Review@uspto.gov, copying counsel for all parties to the proceeding. A Director Review request is not perfected until both submissions are made.” Revised Interim Director Review webpage, Section 3.A, available at <https://www.uspto.gov/patents/ptab/decisions/revised-interim-director-review-process>.

Petitioner’s rehearing request period ends today, August 22, 2024. Please submit this email today, copying counsel for all parties.

Thank you.
