With our authorization, Petitioner Ilooda Co., Ltd. and Patent Owner Serendia, LLC filed a joint motion to terminate Ilooda as a party in each of the above-identified proceedings pursuant to 35 U.S.C. § 317. *See* IPR2024-00383, Paper 10.³ Along with the motion, Ilooda and Serendia filed a copy of a settlement agreement, which they request be treated as business confidential information pursuant to 37 C.F.R. § 42.74(c). *Id.* at 1 (citing Ex. 1026).

In the motion, Ilooda and Serendia state that they have settled their dispute regarding the challenged patent in each of the above-identified proceedings and, on that basis, request that the proceedings be terminated as to Ilooda. *Id.* at 2–4. Each proceeding is in a preliminary stage, and we have yet to issue decisions on whether to institute trial. Under these circumstances, we determine it is appropriate to terminate these proceedings only as to Ilooda. *See* 35 U.S.C. § 317; 37 C.F.R. §§ 42.71(a), 42.74.

Ilooda and Serendia also ask that their settlement agreement be treated as business confidential information and be kept separate from the files of the challenged patents. Paper 10, 4–5 (citing Ex. 1026). Pursuant to 37 C.F.R. § 42.74(c), we determine that it is appropriate to treat the settlement agreement as business confidential information and keep it separate from the files of the challenged patents.

³ For convenience, we cite only to papers and exhibits in IPR2024-00383, but substantially identical papers and exhibits are of record in each of the other proceedings.
