<sup>1</sup> This is a consolidated Order for all three proceedings. The parties shall not use this heading in any subsequent papers.

IPR2024-00384 (Patent 9,320,536 B2)  
IPR2024-00463 (Patent 10,869,812 B2)

On July 22, 2024, we instituted an inter partes review in each of the above-identified proceedings based on a petition filed by Jeisys Medical Inc. (“Jeisys”). Paper 17.<sup>2</sup> On January 10, 2025, we joined EndyMed Medical Ltd. and EndyMed Medical, Inc. (collectively, “EndyMed”) as petitioners in these proceedings, based on petitions and motions for joinder they filed in IPR2024-000843, -00844, and -00845. Paper 34. On February 4, 2025, we terminated the original petitioner, Jeisys, due to settlement. Paper 35.

On January 31, 2025, EndyMed and patent owner, Serendia, LLC, jointly proposed that several due dates be extended by about three months for the purpose of accommodating discovery. *See* Ex. 3002. Normally, a final decision in an inter partes review is due “not later than 1 year after the date on which the Director notices the institution of a review . . . *except that the Director . . . may adjust the time periods in this paragraph in the case of joinder under section 315(c).*” 35 U.S.C. § 316(a)(11)(emphasis added). In the case of joinder, the Director has delegated the authority to adjust the one-year period to the Board. *See* 37 C.F.R. § 42.100(c). That being the case, we adjust the pendency time of these proceedings before the Board so as to adequately consider and decide all the pending issues. Thus, we shall issue a Final Decision in these proceedings no later than December 22, 2025.

Accordingly, it is hereby:

ORDERED that the time of pendency in the above-identified proceedings, all of which involve joinder, are adjusted beyond one year after institution; and
