BEFORE THE PATENT TRIAL AND APPEAL BOARD

ENDYMED MEDICAL LTD. AND ENDYMED MEDICAL, INC.,[1]
Petitioner,

v.

SERENDIA, LLC,
Patent Owner.

Case IPR2024-00383
Patent 9,775,774

PATENT OWNER'S REQUEST FOR ORAL ARGUMENT

[1] The Board, in IPR2024-00843, joined EndyMed Medical Ltd. and EndyMed Medical Inc. as petitioners to this proceeding.

Patent Owner notes that the parties have received authorization to file a motion to terminate this proceeding in light of the parties' settlement, and those motions are being filed. Accordingly, Patent Owner expects that this proceeding will be terminated without oral argument. Nevertheless, since authorization was sought and obtained on the same day this request for oral argument was due, out of an abundance of caution, Patent Owner files this request according to the scheduling order to preserve its rights.

Pursuant to 37 C.F.R. § 42.70 and the Board's Scheduling Order dated July 23, 2024 (Paper 18) and Revised Scheduling Order dated March 13, 2025 (Paper 37), Patent Owner Serendia, LLC ("Patent Owner") respectfully requests in-person oral argument on issues related to the patentability of the challenged claims of U.S. Patent No. 9,775,774 ("'774 patent") on the instituted grounds set forth in the Board's Decision (Paper 17), and on any issues specified in any motions to exclude, the Petition, Patent Owner's Response, Petitioner's Reply, Patent Owner's Sur-Reply, or any other pending motions or briefing filed by the parties. If the Board's resources permit, Patent Owner requests that the hearing be set as a public hearing with a real time audio stream that members of the public can access. Patent Owner notes that they may disclose confidential information during the hearing and respectfully requests the Board to close the courtroom to the public and the public line during that time.

Patent Owner also requests a consolidated oral argument with IPR2024-00384 and IPR2024-00463 (whose arguments are scheduled for the same day) involving related patents and nearly identical issues. Patent Owner would be pleased to present the arguments in whichever order the Board may prefer.

Patent Owner requests that the Board allow Petitioner and Patent Owner each a total of 90 minutes to present their arguments.

If the argument is to be conducted in person, Patent Owner requests the hearing to be located at the USPTO headquarters in Alexandria, Virginia. For an in-person hearing, Patent Owner expects five people to attend for Patent Owner if the Board can accommodate this number of attendees for Patent Owner. Patent Owner requests permission to use a computer, projector, and screen to display demonstratives and exhibits. Patent Owner also requests that the attorneys at Patent Owner's counsel table be allowed to use computers.

Respectfully submitted,
