Subject: Schedule in IPR2024-00383, -00384 & -00463

Petitioner: *Jeisys Medical Inc., EndyMed Medical Ltd. and EndyMed Medical, Inc.*

Patent Owner: *Serendia, LLC*

Case Nos.: IPR2024-00383, -00384 & -00463

Your Honors,

Serendia and EndyMed jointly request the below modified schedule¹. Because EndyMed was unable to act in these matters until joinder was granted, it requests a fair and reasonable period to conduct its discovery. Due to the confines of the ITC protective order involving other parties outside these proceedings, EndyMed cannot rely exclusively on using the ITC discovery, and will have to take new discovery, including re-deposing Serendia's experts. To ensure sufficient time for this work, the parties request the Board grant EndyMed three months discovery from Joinder, modifying the trial schedule in these proceedings as follows:

- Petitioner's reply DUE DATE 2 extended to April 10, 2025;
- Patent Owner's sur-reply DUE DATE 3 extended to May 22, 2025;
- Subsequent deadlines extended accordingly: Due Date 4 – June 12, 2025 (3 weeks); Due Date 5 – June 26, 2025 (2 weeks); Due Date 6 – July 3, 2025 (1 week); Due Date 7 – July 10, 2025 (1 week); Due Date 8 – July 17, 2025 (1 week).

Jeisys takes no position on this matter.

Please advise or let us know if you would like to schedule a call to discuss this further.

¹ "The Director ... may adjust the time periods in this paragraph in the case of joinder under section 315(c)" (35 U.S.C. § 316(11); *see also* 37 C.F.R. § 42.100(c)).

Respectfully,

PEARL COHEN
