Paper 57
Entered: September 2, 2025

UNITED STATES PATENT AND TRADEMARK OFFICE

BEFORE THE PATENT TRIAL AND APPEAL BOARD

ENDYMED MEDICAL LTD and ENDYMED MEDICAL, INC.,[1]

Petitioner,

v.

SERENDIA, LLC,
Patent Owner.

IPR2024-00386
IPR2024-00842
Patent 9,480,836 B2

Before CARL M. DEFRANCO, MICHAEL L. WOODS, and RYAN H. FLAX, *Administrative Patent Judges.*

PER CURIAM,

ORDER
Granting Patent Owner's Motion to Expunge
37 C.F.R. § 42.56

---

[1] Endymed Medical LTD and Endymed Medical, Inc. were joined as petitioners to this proceeding. *See* Paper 37. The original petitioners, Ilooda Co., Ltd., and Jeisys Medical Inc. are no longer parties. *See* Papers 14, 38.

On July 1, 2025, we granted the Parties' respective Joint Motions to Terminate the above-identified proceedings due to settlement. Paper 55. On August 15, 2025, Patent Owner filed a Motion to Expunge Confidential Information from the Record. Paper 56 ("Mot." or "Motion to Expunge"). Patent Owner moves to expunge certain papers and exhibits from the record (collectively referred to herein as "the confidential documents"). *Id.* Specifically, Patent Owner seeks to expunge the confidential versions of the Patent Owner Preliminary Response (Paper 13), Patent Owner Response (Paper 28), Petitioner's Reply (Paper 46), and Exhibits 1043, 1044, 2003–2006, 2015, 2030, 2031, 2052, 2054, 2061, 2062, 2065, 2071, 2084, 2089, 2090, 2102, 2139, and 2143. *Id.* at 1. Patent Owner also seeks to expunge Paper 15 and Exhibits 2004, 2054, 2061, 2062, 2065, 2071, 2084, 2089, 2090, 2102, 2139, and 2143 from the record in IPR2024-00842, which was joined to the instant proceeding. *Id.* at 5.

Patent Owner asserts that the confidential documents contain "include confidential technical and financial information, including financial data, design documents, and business information." *Id.* Patent Owner also asserts that "the Board did not rely on any of the confidential disclosures in the confidential documents in rendering its Decision on Institution or its Decision on Termination Due to Settlement." *Id.* at 4 (citing Papers 18 and 55). Patent Owner further asserts that "the public's access to the redacted versions of these exhibits fulfills the public's interest in maintaining a complete and understandable record, and the expungement of the sealed versions of the confidential documents from the record will not diminish the public's understanding of the Board's Decisions." *Id.*

Based on the above assertions in the Motion, we find good cause exists to expunge the record to the extent requested by Patent Owner and we *grant* the Motion.

In consideration of the foregoing, it is hereby:

ORDERED that Patent Owner's motion to expunge is *granted*; and

FURTHER ORDERED that the confidential versions of the Patent Owner Preliminary Response (Paper 13), Patent Owner Response (Paper 28), Petitioner's Reply (Paper 46), and Exhibits 1043, 1044, 2003–2006, 2015, 2030, 2031, 2052, 2054, 2061, 2062, 2065, 2071, 2084, 2089, 2090, 2102, 2139, and 2143 will be expunged from the record in IPR2024-00386;

FURTHER ORDERED that the confidential versions of Exhibits 2004, 2054, 2061, 2062, 2065, 2071, 2084, 2089, 2090, 2102, 2139, and 2143 will be expunged from the record in IPR2024-00842 and a copy of this Order shall be entered in the record in that proceeding;

FURTHER ORDERED that the redacted versions of each exhibit will not be expunged from the record in either proceeding.
