

PVI 3000-7500

The PVI 3000-7500 residential, string inverters were offered by Solectria from 2008-2013. They were discontinued in Q4 2013 when Solectria introduced the PVI 3800-7600TL ([/pv-inverters/residential-tl-string-inverters/pvi-3800-7600tl/](#)) line (transformerless, residential, string inverters).
