The Powerball jackpot grows until it is won. Players win a prize by matching one of the 9 ways to win. The jackpot is won by matching all five white balls in any order and the red Powerball.

Jackpot winners may choose to receive their prize as an annuity, paid in 30 graduated payments over 29 years, or a lump-sum payment. Both advertised prize options are prior to federal and jurisdictional taxes.

Power Play®

Ask for Power Play® with your Powerball purchase!

For an additional \$1 per play, the Power Play feature can multiply non-jackpot prizes by 2, 3, 4, 5 or 10 times! Note: the Match 5 prize with Power Play is always \$2 million.

The multiplier number is randomly selected before each drawing.

The 10X multiplier is only in play when the advertised jackpot annuity is \$150 million or less.

WHERE TO PLAY

Powerball is played in 45 states, Washington DC, Puerto Rico and the US Virgin Islands!

Powerball drawings are held every Monday, Wednesday and Saturday at 10:59 p.m. ET.

Sales cut-off times vary by one to two hours before the drawing, depending on the selling jurisdiction.
