Lumify Redness Reliever Eye Drops

0.08 OZ, 0.03 lbs. Item # 267136

- FSA-eligible eye drops
- Sterile formula requires no prescription to order
- Begins working within one minute of application

- Helps reduce eye redness for up to eight hours
- LUMIFY drops were evaluated in six clinical studies before winning FDA-approval
- Contains no bleaches or dyes
- As reviewed in *Vogue*, *Cosmopolitan*, *Allure* and *Women's Health*
- Packaged in sterile bottle for peace of mind
- Lower side effects risk when compared to other redness-relieving eye drops
- LUMIFY eye drops can be used before inserting contact lenses

Combat ocular redness caused by excessive screen time, dry or dusty conditions, allergens and lack of sleep when you add these LUMIFY eye drops to your daily routine. Enjoy more radiant, whiter, brighter eyes with these FDA-approved LUMIFY Redness Reliever eye drops. Studies have shown that these LUMIFY drops provide a significant reduction in redness, so your eyes look clearer and you have a more youthful, well-rested appearance.

LUMIFY eye drops contain a low dose of over-the-counter brimonidine tartrate in an ophthalmic solution that's clinically proven to help reduce redness for up to eight hours. The eye drops go to work super fast, with significant redness reduction seen in just one minute. Developed by BAUSCH + LOMB's eye care experts and doctors, these eye drops are safe and effective when used as directed.

Ingredients

Lumify Brimonidine Tartrate 0.025% benzalkonium chloride, boric acid, calcium chloride dihydrate, glycerin, potassium chloride, sodium borate, decahydrate, sodium chloride, water for injection, hydrochloric acid and/or sodium hydroxide may be used to adjust pH

Directions

Adults and children 5 years of age and older; Instill one drop in affected area every 6-8 hours. Do not use more than 4 times daily. Remove contact lenses before use. Wait at least 10 minutes before reinserting contact lenses after use. If using other ophthalmic products while using this product wait at least five minutes between each product. To avoid contamination do not touch tip of container to any surface. Replace cap after each use.

Warnings

Children under five years of age consult a doctor before using
