

UNITED STATES PATENT AND TRADEMARK OFFICE

BEFORE THE PATENT TRIAL AND APPEAL BOARD

MONOLITHIC POWER SYSTEMS, INC.,

Petitioner,

v.

GREENTHREAD, LLC,

Patent Owner.

Case No: IPR2024-00468

U.S. Patent No. 8,421,195

**PETITIONER'S MOTION TO SEAL
PETITIONER'S REPLY TO PATENT OWNER'S RESPONSE**

Pursuant to 37 C.F.R. §§ 42.14 and 42.54 and Paper 27, Petitioner Monolithic Power Systems, Inc. (“Petitioner”) respectfully submits this Motion to Seal. Petitioner moves to seal its Reply to Patent Owner’s Response (filed concurrently with the present Motion) in its entirety. Petitioner has conferred with Patent Owner, and Patent Owner indicated it does not oppose.

I. Good Cause Regarding Sealing the Paper Containing Confidential Information

The Office Trial Practice Guide (TPG) states that “a document or thing will be made publicly available, unless a party files a motion to seal that is then granted by the Board.” Office Trial Practice Guide (Nov. 2019) at 19; *see also* 35 U.S.C. §316(a)(7). “The document or thing will be protected on receipt of the motion and remain so, pending the outcome of the decision on motion.” *Id.* The TPG states that “protective orders may be issued for good cause by the Board to protect a party from disclosing confidential information.” *Id.* at 20 (citing C.F.R. § 42.54). Here, there is good cause for sealing Petitioner’s Reply to Patent Owner’s Preliminary Response because Petitioner references Exhibits and Papers filed by Patent Owner under seal.

To maintain a complete and understandable file history for public notice purposes, Petitioner also provides a public version that redacts the confidential information.

II. Protective Order

Patent Owner concurrently requests entry of a modified protective order. Upon entry of that modified protective order, Petitioner designates Petitioner's Reply to Patent Owner's Preliminary Response as "PROTECTIVE ORDER MATERIAL." The Reply for which Petitioner seeks to restrict access references Exhibits and Papers filed by Patent Owner under seal and should only be accessible to persons that qualify under Paragraph 4 of the amended Protective Order.

Dated: February 14, 2025

Respectfully submitted,
