UPDATE #12

'Tis the Shipping Season

Fohm Creator

December 4, 2014

We are excited to announce that our Fohm Pillows shipped yesterday afternoon from our factory in Atlanta. We thank everyone for their continued support and even have our first excited backer via Twitter:

Please be on the lookout for an email from us that has some additional information about your pillow. We'll be sending that soon.

We would love to hear your story and see your pictures on social. As you know, the challenge with any new startup is spreading the word and gaining exposure. We are very happy to have such a wonderful group of backers that have been supportive throughout this whole process.

Please help us spread the word and tell a friend - or 3 :)

- So far the people that have tested and reviewed our pillows have loved them! The GSA Business Journal did an article on us ([view here](#)), and we even had a spot on the news (watch video below).
