UGG Unveils the New Classic

Company Release - 7/19/2016 7:06 PM

The reimagined Classic II marks the biggest launch in brand's 38-year history

NEW YORK--(BUSINESS WIRE)-- Almost 40 years since the UGG® Classic boot was first created, today the brand unveiled a first look of its new Classic. The reimagined boot, aptly named **Classic II**, incorporates innovative technology including water and stain resistance, better traction and an overall lighter weight for increased wearability.

This Smart News Release features multimedia. View the full release here: <http://www.businesswire.com/news/home/20160719006703/en/>

The New Classic in Chestnut (Photo: Business Wire)

Supported by a large-scale media campaign launching in the fall and featuring the brand's first ever global women's ambassador, Rosie Huntington-Whiteley, the **Classic II Mini**, **Classic II Short** and **Classic II Tall** will be available at UGG® retail locations and online starting this week.

For a closer look at the New Classic and some inspiring styling tips, visit <http://www.ugg.com/women-classics-ii/>.

“This is without a doubt the biggest launch UGG® has ever undertaken in its 38 year history,” said Dave Powers, President and CEO of Deckers Brands. “Updating a product as iconic as the Classic was a big decision. However, after listening to what our consumers want we knew it was time.”

Addressing the needs of its customers, the new Classic has the same look and feel as the original but with the added benefit of a pretreated sheepskin upper to protect against water and stains, a Treadlite by UGG™ outsole for increased traction, durability and flexibility and a new logo and leather heel plate for a

refined finish. These upgrades, in addition to the original design features of raised whip-stitch seams, license-plate shaped heel logo, rounded toe shape, exterior suede heel overlay and fabric binding, will continue to distinguish UGG® as the leader in premium sheepskin footwear.

“As a global icon, it was essential the aesthetic of the original UGG Classic Boot was preserved,” said Leah Larson, Vice-President Creative Director at UGG® “The new Classic maintains the same premium craftsmanship our consumers know and love, whilst addressing their needs for increased innovation, technology and most importantly, wearing occasions.”

Originally designed to warm the feet of surfers, the UGG® Classic Boot was quickly adopted by celebrities, athletes, influencers and customers all around the world who were looking for premium, effortless comfort and style. Today, UGG® has taken the original boot and expanded it into a full collection of footwear, accessory and lifestyle products that embody the brand's DNA.

“This is a big moment for the brand as it is not just about celebrating the launch of a new boot; it marks the start of a whole new line of products you will soon start to see from the brand,” continued Powers.

The new Classic is available at all UGG® concept stores worldwide, online at UGG.com and at select wholesale partners from July 15th. The Classic II Mini will retail for \$140 USD, the Classic II Short will retail for \$160 USD and the Classic II Tall will retail for \$200 USD.

WHAT'S THE DIFFERENCE BETWEEN THE UGG CLASSIC AND THE NEW UGG CLASSIC II?

Posted by Englin's Fine Footwear on 14th Jul 2016

UGG Classic boots for women have been around for quite some time now, warming the toes of everyone from surfers to fashion icons. At the first sign of a fall chill or brisk weather, you'll see women strutting their stuff in their UGG boots because they're so cozy. That cozy comfort means that UGG boots have become the essential that women cling to as the temperature dips.

This year there's the **UGG New Classic** boot for women in town – and it's sure to be even more widely accepted among women of all ages and backgrounds. Let us introduce you to the UGG Classic II. With a similar silhouette to the UGG Classic, the UGG Classic II is new and improved but still the recognizable UGG everyone has fallen in love with. Take a look at the difference between the UGG Classic and the new UGG Classic II.

UGG CLASSIC

The UGG Classic has become the go-to option for casual style. Its timeless Twinface sheepskin provides the ultimate comfort, but the shoe still comes off as trendy. The interior provides comfort and also makes it a great choice for warmth as well. Finally, the plush wool insole and flexible sole combine for a lightweight fit, so you can move as quickly as you need to when you're on the go.

UGG CLASSIC II

SHOP NOW

The **UGG Classic Short II** in **Chestnut**.

The UGG Classic II is a reinvented version of the Classic with improvements UGG lovers are sure to enjoy. Still chic and comfortable, the Twinface sheepskin on the Classic II is pretreated. So stains and water are no longer your enemy. Additionally, the outsole is Treadlite—it's the same flexible fit but with more traction. Now you can rest assured and rock these boots in the rain or the snow (and the sun, if you choose).

The UGG Classic II is now available in three styles: UGG Classic Mini II, UGG Classic Short II and UGG Classic Tall II. Let's take a closer look of each of these revamped styles.

UGG CLASSIC MINI II

SHOP NOW

The **UGG Classic Mini II** in **Chocolate**. Also available in **Black, Chestnut, Grey, Navy, Regatta, Sand, and Tropical Peach**.

The **UGG Classic Mini II** is like the fun-size version of the silhouette you may be used to. It's just as timeless and durable as the others, but offers a shorter shaft height. You can pair it with your favorite jeans and a loose sweater, or you can go with the celebrity look of shorts with a tank and a scarf.

UGG CLASSIC SHORT II

SHOP NOW

The **UGG Classic Short II** in **Grey**. Also available in **Black, Chestnut, Chocolate, Coastal Green, Fawn, Lavender Violet, Magenta Rose, Navy, Nightfall, Pajama Blue, Ribbon Red, Sand, and Spruce**.

The **UGG Classic Short II** is likely the most recognizable version of the UGG Classic boots for women. The eight-inch shaft height is the most popular amongst UGG lovers. Like the traditional UGG Classic Short, the New UGG Classic Short II is soft, warm and versatile. And remember, these are pretreated so you can wear them the second you take them out of the box.

UGG CLASSIC TALL II

SHOP NOW

The **UGG Classic II Tall** in **Black**. Also available in **Chestnut, Chocolate, Grey, and Sand**.

The tallest of the new Classic II UGG options, the **UGG Classic Tall II**, reimagines the tall profile you're used to. It comes just under the knee for a full experience of warmth, comfort and flexibility. Throw these on with skinny jeans or even a pair of jeggings for a comfy yet chic on the go look. And when the temperatures drop, these can be your go-to boot.

There are so many things to love about the UGG Classic II. The updates are subtle, extremely useful, and practical. You will get much more wear out of the UGG New Classic II. Temperamental weather can no longer get in the way. No more slipping and sliding when you're on the go and need to run in the rain. You get the warmth of the Classic UGG without accidentally skiing across the parking lot in the snow. In addition, you can be a little more carefree on your trips to your neighborhood coffee shop—or wherever your UGG Classic II's may take you—because the UGG Classic II is stain resistant. So you can sweat a little less when you have some accidental drips from your latte.

The UGG Classic has become a timeless piece, and many women continue to gravitate toward it for its coziness and versatility. Still, there were a few things to be desired with the UGG Classic. The new version of the Classic gives UGG lovers an improved look with the fit and feel you expect. The pretreated sheepskin is like a God send—less opportunity for stains means you can be even more carefree in the **UGG Classic II** than you could even imagine in the original UGG Classic. All of the improvements have been made to each shaft height—the mini, the short, and the tall. They also come in a variety of colors, so you can choose your favorite one, or you can stock up on a few pairs. Whichever height you prefer, you are sure to enjoy the UGG Classic II even more than the UGG Classic. Take a look at the color options and experience the reinvented UGG Classic II.

Unbelievable comfort, and I adore the minis! Minis fit us thick-calved girls who can never wear boots!

October 18, 2011 by Diane

Sure they are comfy but they look funny! My feet looked absolutely huge in these! What a shame, because I really needed them for my weekend plans.

I've had my Ugg Mini's for about a month now, and I love them. I wear them for errands, grocery shopping, schlepping the kids, etc. I have fleece-lined slippers that I wear in the house without socks, and I love that I don't have to put on socks when I need to run an errand. This is exactly why I bought them and they suit my purpose perfectly. The Mini's look great under the boot-cut yoga pants I live in, and they keep my ankles warm, too. One warning - they have no support. I wore them to the mall for about 3 hours, and my knees and hips were aching. And they do run a size big. I am usually an 11 and had to send those back for a size 10.

Overall: Comfort: Style:

My first pair of Uggs, and I am in love. The first pair came in the right box with the wrong size inside. Zappos overnighted the correct size to me the next day. You do rock, Zappos. I found the mini to be a perfect size 8 - just like me. I live in them. Now I want another color for Christmas. I am newly retired and live in yoga pants. These minis are perfect with the basic black yogas or sweats. I watched students wear these for years but had only worn look-alikes. Now I know why people buy Uggs. Comfort with a capital C. Thanks Zappos. You made my holiday.

Overall: Comfort: Style:

I ordered these boots yesterday and got them today! They are so cute and cozy! I like that they are shorter because they are not bulky and look great. I am a 7.5 and ordered a 7. They feel perfect and I can even fit my custom made insoles and still be comfortable. Without insoles they do not have good arch support.

Great Ugg boots. Very comfortable and look nice with casual pants. And if you're young, I am not. With skirts. I always order a half size up in Uggs. They seem to run a bit short for me. All purpose boot for the young. And old at heart!
