ROCKY SHOES & BOOTS - OFFICIAL FOOTWEAR OF THE NATIONAL WILD TURKEY FEDERATION

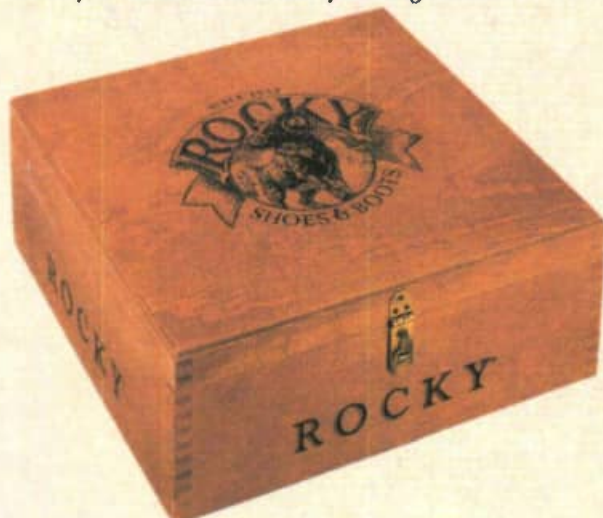

The National Wild Turkey Federation, a non-profit grass-roots organization, actively promotes the conservation and wise management of the American wild turkey. With a concerted effort from the 120,000 NWTF members, the U.S. Forest Service, and NWTF partners, the wild turkey population has increased from 1.3 million in 1971 to 4.2 million today. A portion of the proceeds from Rocky NWTF boots goes to support such NWTF programs as turkey hunting safety initiatives, youth education, relocation assistance, habitat enhancement, wildlife management, and hunting advocacy.

These boots were designed to provide the comfort, weather protection and performance needed to track over the toughest terrain. Specific attention to the early Fall and late Spring hunting requirements were considered when developing the line. Most boots have Gore-Tex® waterproofing. Cold weather alternatives are available as well.

FOOTWEAR IN THE NWTF PROGRAM INCLUDES:

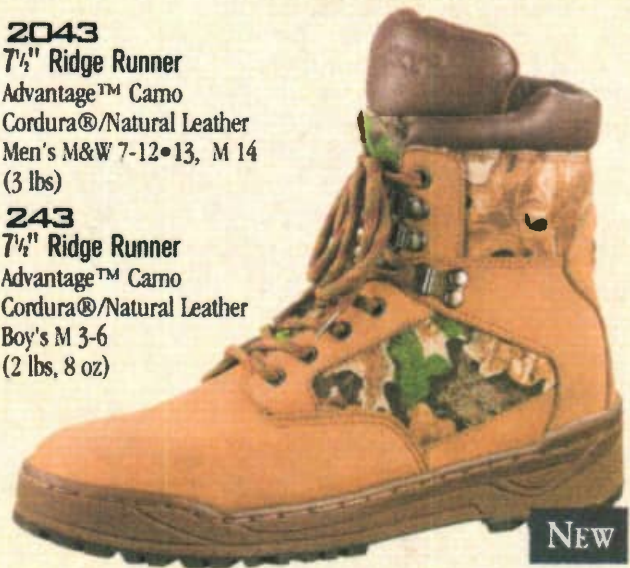

- 9163 Lace-to-toe Bearclaw® w/1000 gm. Thinsulate™ (page 0-8)
- 7528 16" Outback™ Gore-Tex® Snake Boot (page 0-18)
- 7529 16" Outback™ Gore-Tex® Snake Boot (page 0-18)
- 243 Boy's 7 1/2' Camo Ridge Runner (page 0-19)
- 2043 Men's 7 1/2' Camo Ridge Runner (page 0-19)
- 2041 Men's 10 1/2' Camo Ridge Runner (page 0-19)
- 7995 Non-insulated Gator boot (page 0-23)
- 7996 Insulated Gator boot (page 0-23)

Rocky Shoes & Boots is proud to develop this line of NWTF-Licensed hunting boots that helps us all take an active role in preserving the proud 200-year North American turkey hunting tradition.
