Subject: IPR2024-00526 hearing -- response requested
Date: Thursday, April 17, 2025 12:23:55 PM

Counsel,

Both parties have requested an oral hearing in IPR2024-00526. Patent Owner has requested in-person hearing at the USPTO's Alexandria, Virginia office. Petitioner has not indicated whether it requests an in-person or video hearing.

The Board asks Petitioner to clarify, by 12pm Eastern Time on April 21, 2025, whether it requests a video or in-person hearing. If Petitioner would like to request an in-person hearing, the parties should meet and confer as to the preferred location of the hearing. (The parties may request the hearing to be held in Alexandria or the San Jose, California, USPTO Regional Office.)

To the extent the parties agree on the hearing location, the April 21, 2025 response should include the agreed-upon location. If the parties cannot agree after meeting and conferring, Petitioner should inform the Board of its individual preference in the response.

For planning purposes, please note that, if an in-person hearing is held at either the Alexandria or San Jose Office, one judge will appear in person, and two judges will attend virtually. At present, the Board will only conduct an in-person hearing when requested by all parties.
